

# BRUSSELS'S PRACTICAL TIPS

# MOBILITY IN BRUSSELS

## Brussels Public transport metro, tram, bus...

STIB : *Brussels*

**Student travel pass** : If you are between 18 and 24 years old, you are eligible for the student annual pass. The price is €12 + €6 for the Mobib card and gives you access to the entire Brussels network for one year.

## Brussels is a bike-friendly city

With many cycling paths, it's easy to reach your campus by bike. Plan your ride easily [here](#).

P

**Secured bike parkings** are available on each site. Ask your campus for access details.

## Floya

Your key to all mobility in Brussels : Public Transport, bike, kick scooter, taxi, car, E-bike, ...  
*Download on App Store or Google Play*

# MOVING AROUND

## Other public transport in Belgium

By bus

In Wallonia

In Flanders

By train

SNCB

## Travelling in Europe

ComparaBUS

The logo for Trainline, featuring a green heart shape with a white train icon inside, followed by the word 'trainline' in green lowercase letters.

# SMART CONSUMPTION

**Tap water** is drinkable ! Remember to bring your drinking bottle

## Anti-waste grocery apps

### *Happy Hours Market*

Get your groceries at half price while fighting food waste !

### *To good to go*

Unsold food is resold. Users can save food while enjoying great value in local shops, cafés, and restaurants.

## Organic stores

**Solidarity grocery shop** on Alma campus

# NON FOOD

Circular economy-driven products and services for a more sustainable way of consuming

## Second hand clothes

Giving, Donate what you don't need anymore

# ECAM REPAIR CAFÉ

(electronics – bikes – PCs)

The **ECAM Repair Café** is a project led by ECAM teachers and students.

It addresses several goals:

- fighting against planned obsolescence,
- raising awareness among young people (and others) on the Alma campus about the issue of waste in our society,
- supporting people in precarious situations by helping them to avoid buying new devices.

**Give them a second life! !**

**[Repair Together](#)**

**Want to lend a hand ?**

Get in touch at  
[repair.cafe@ecam.be](mailto:repair.cafe@ecam.be)

# WASTE SORTING IN BELGIUM

Depending on the region - Brussels, Flanders and Wallonia, the colors of the bags and collection schedules may differ, although the type of waste remains the same.

PMD

Paper & Card board

Residual waste

Glass

Organic Waste

Waste type :

- **PMD** : (plastic bottles and containers, Metal packaging, Drink cartons)
- **Paper & card board**
- **Residual waste** : non-recyclable household
- **Glass** : bottles and jars (excluding deposit-return bottles)
- **Organic waste** : Food scraps

**Brussels is one of the greenest capital in Europe**

Explore nearby green spaces like *Bois de la Cambre*, *Parc de Woluwe*, *Parc Ten Bosch* —ideal for relaxing, walking or studying outside.

# STUDENTS ASSOCIATION

@ECAM

## ***La Vulcania***

The student club known for its involvement in folklore, parties, ski trips, and much more. Keeping traditions alive and students connected.

## ***Move***

Activities involve bike and PC repair to strengthen ECAM's Repair Café, hackathon on sustainable challenge,...

## ***ECAM Engineering Consult***

Puts the skills of future engineers to work on real-world projects.

## ***Women@ECAM***

A caring network of female students to support each other, share experiences, grow together at ECAM... and benefit from a buddy system to ease integration.

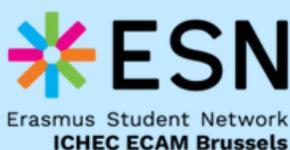

## ***CDE***

The ECAM Student Council (CDE) represents all students. Its aim is to give students a voice, relay their ideas and needs, and improve life for everyone on campus.

**@ICHEC**

Student life is particularly rich and diverse at ICHEC ! Many students are active in different associations covering a wide range of interests: sustainable development, entrepreneurship, welcoming international students, consultancy and of course the traditional student activities !

*ESN ICHEC-ECAM*

*Student Council (CDE,  
Conseil des Étudiant)*

*Oikos Brussels*

*ICHEC's Student  
Circle (CICHEC)*

*ICHEC Junior Consult*
